## TRUE NORTH

### Expedition Prep

Basecamp season is here! It is with much anticipation that we go into the Fall Basecamps awaiting God's miraculous restoration of men's hearts. Please pray for these camps and the men that will be in attendance. Please pray for their families as they step into this journey. Thank you to all who pray, contribute, and pour into the lives of men through True North as our Father calls them into who He knows they really are.

### The Trail

We will begin offering an in depth focus on equipping the men of True North in their Band of Brother groups beginning in September. The first week, post Basecamp, attendees will meet virtually for The Rock to discuss specific content directed to what they will be experiencing the first week after camp. Two weeks after Basecamp there will be a live Rock to continue equipping and encouraging bands of brothers.

### A story for His glory!

The Kingdom has a new heir! Dale Patterson received the gift of salvation at the May 2017 Basecamp. Dale has his unique story, like the rest of us. A past that we are not proud of, yet a testimony to the restoration and love of Jesus Christ. Dale came to Basecamp because his counselor told him about the restoration she had seen in other men who had attended Basecamp. Dale arrived as many of us have, burdened, lied to by our enemy, resigned to agreements, and defeated. Yet God was waiting, as He so graciously and lovingly does, to call to the heart of his son Dale. That call came at the end of the Friday evening session and Dale responded with confession, repentance and the receiving of the gift of salvation. Dale was a changed man! It was pure joy to see Dale come alive in this new freedom. Whether it was playing laser tag, riding go-karts, or climbing the "pamper pole", Dale was shining in the light of His Father's love. Yet we do have a spiritual enemy and he is relentless in his desire to devour us. A few short weeks after returning from Basecamp, Dale was

### The Trail (cont)

Week three will be another virtual Rock and the final fourth week will be a live Rock to celebrate the journey and solidify the need for a band of brothers. The 30-Days to LIVE FREE reading plan will also be encouraged during this same 30-day post Basecamp period.

### The Summit

The YouVersion 30-Days to LIVE FREE reading plan is complete! We are so excited to be able to offer a plan designed to lead men to a restoration of the heart through Jesus Christ. Please plan to complete this powerful 30-Day resource yourself as it is a powerful reminder and encouragement to WALK | ENGAGE | LIVE.

### Resourcing

Please pray about supporting True North financially. We take seriously the stewardship of what God provides. Lives are being changed and we thank God and His people for supporting True North Ministries.

diagnosed with brain cancer. He was quickly scheduled for surgery and doctors removed as much of the mass as possible. While this was happening, Dale's marriage ended in divorce. It is so much for anyone to endure. Yet our Father is just as relentless in His pursuit of us and Dale has been faithful. Dale is an inspiration. He shares his faith freely and gives the glory to God for His love. Dale was baptized on Sunday, August 6th and publicly professed his faith in Jesus Christ. Please pray for Dale as he starts chemotherapy and for those that will have the opportunity to come to know Jesus through Dale and his story. All of this is because of one man who reached out to accept the hand of Christ and the invitation to **LIVE FREE**.
